## SEARCH AND SEIZURE WARRANT

To: Any authorized law enforcement officer

An application by a federal law enforcement officer or an attorney for the government requests the search of the following person or property located in the Eastern District of Virginia  
*(identify the person or describe the property to be searched and give its location):*

See Attachment A

I find that the affidavit(s), or any recorded testimony, establish probable cause to search and seize the person or property described above, and that such search will reveal *(identify the person or describe the property to be seized):*

See Attachment B

**YOU ARE COMMANDED** to execute this warrant on or before September 5, 2019 (*not to exceed 14 days*)

in the daytime 6:00 a.m. to 10:00 p.m.  at any time in the day or night because good cause has been established.

Unless delayed notice is authorized below, you must give a copy of the warrant and a receipt for the property taken to the person from whom, or from whose premises, the property was taken, or leave the copy and receipt at the place where the property was taken.

The officer executing this warrant, or an officer present during the execution of the warrant, must prepare an inventory as required by law and promptly return this warrant and inventory to The Honorable John F. Anderson   
*(United States Magistrate Judge)*

Pursuant to 18 U.S.C. § 3103a(b), I find that immediate notification may have an adverse result listed in 18 U.S.C. § 2705 (except for delay of trial), and authorize the officer executing this warrant to delay notice to the person who, or whose property, will be searched or seized (*check the appropriate box*)

for \_\_\_\_\_ days (*not to exceed 30*)  until, the facts justifying, the later specific date of \_\_\_\_\_.

| <p>A cellphone was seized pursuant to a search warrant on August 8, 2014. From this cellphone, a data extraction was completed in August 2014. Based upon the search warrant (1:19-sw-1134) obtained on August 22, 2019, the cell-phone extraction was re-processed using a newer (July 2019) version of the cellphone analysis tool. The re-processed data provided access to more data than with the version used in 2014. New re-processed data included information such as contacts, emails, text messages, web-history as well as other types of information to include metadata and tags.</p> <p><i>Nothing follows up 10/22/2019</i></p> |   |  |
